

High-Speed Steel Hole Saw Set

This hole saw set is designed for creating precise circular cuts in materials like wood, plastic, and thin metal. It includes multiple hole saws of varying diameters and is organized in a durable plastic case for easy storage.

Product Overview

High-Speed Steel Hole Saw Set

This versatile hole saw set is engineered for creating precise circular cuts across a variety of materials, including wood, plastic, and thin metal. Constructed from durable high-speed steel (HSS), the saws are designed for extended cutting life and efficient material removal. The set comes complete with multiple diameters, a mandrel with a pilot drill bit for accurate positioning, and an Allen wrench, all organized in a sturdy plastic case for easy storage and portability.

Technical Specifications

Total Pieces	11 pcs
