

High-Speed Steel Hole Saw Set

This hole saw set is designed for creating precise circular cuts in various materials. It includes a range of saw sizes, an arbor with a pilot drill, and a durable carrying case.

Product Overview

Professional Hole Saw Performance

This comprehensive hole saw set is engineered for creating precise, clean circular cuts across a variety of materials, including wood. Constructed from high-speed steel, these tools offer enhanced cutting performance and long-term durability for demanding projects. The set includes multiple saw sizes and an arbor with a pilot drill to ensure accurate hole placement and smooth operation, all organized within a protective carrying case.

Technical Specifications

Included Components

- Assorted hole saw sizes
- Arbor with pilot drill
- Durable carrying case

Material	High-Speed Steel
Application Material	Wood, General Purpose

Features

Key Features

High-Speed Steel Construction • Precision Cutting • Includes Pilot Drill • Organized Storage
