

High-Velocity Industrial Electric Fan

This high-velocity electric fan is designed for powerful airflow. It features a durable metal construction with a chrome finish.

Product Overview

High-Velocity Industrial Airflow

This high-velocity industrial electric fan is engineered for powerful air circulation in demanding environments. Featuring a robust full-metal construction with aluminum blades, it is built to withstand rigorous use in workshops, warehouses, and industrial settings. With three adjustable speed settings and versatile placement options, it provides reliable cooling and ventilation wherever needed.

Technical Specifications

Materials

- Full metal body
- Aluminum blades
- Metal support frame

Available Sizes

12 inch, 14 inch, 16 inch, 18 inch, 20 inch, 24 inch

Velocity Modulations

3 gears

Certifications

Certifications

CE • GS • EMC • LVD • ROHS
