

High-Visibility Marking Flagging Tape

This high-visibility flagging tape is used for marking boundaries, hazards, and survey lines. It is constructed from durable, weather-resistant materials to withstand outdoor conditions and maintain visibility.

Product Overview

High-Visibility Marking Flagging Tape

This durable PVC flagging tape is designed for reliable outdoor marking in forestry, construction, and surveying applications. It offers high visibility to clearly identify boundaries, hazards, and survey lines in diverse environments. With weather-resistant construction, it ensures long-lasting performance even in challenging outdoor conditions.
