

Honeycomb Grille Front Bumper for 2017 Audi RS3

This front bumper assembly is designed for the 2017 Audi RS3 model. Constructed from durable materials, it provides impact protection and enhances the vehicle's aerodynamic profile.

Product Overview

Premium Front Bumper Assembly

This honeycomb grille front bumper is precision-engineered for the 2017 model year, offering a perfect blend of durability and aesthetic enhancement. Constructed from high-quality PP (polypropylene) material, it provides robust impact protection while maintaining a lightweight profile. The design features a sporty honeycomb grille pattern, integrated fog light housings, and pre-cut provisions for parking sensors, ensuring a seamless installation process.

Technical Specifications

Material	PP (Polypropylene)
Compatible Model Year	2017
Manufacturing Origin	Xuancheng City, Anhui Province

Features

Key Features	Honeycomb Grille, Parking Sensor Ready, Integrated Fog Light Housings, Aerodynamic Design
