

Honeycomb Mesh Grille for Audi A4 RS4 2017

This high-quality replacement grille is designed for Audi A4 and RS4 models manufactured in 2017. It features a honeycomb mesh design with a gloss black finish and ensures easy installation.

Product Overview

Premium Honeycomb Mesh Grille

This honeycomb mesh grille is specifically engineered for 2017 Audi A4 and RS4 models, offering an immediate aesthetic upgrade. Designed for a direct fit, it replaces the factory grille to provide a more aggressive, sporty appearance. Constructed from durable PP material, this component ensures long-lasting performance and resistance to environmental factors.
