

Hot Melt Glue Applicator

This glue gun is a versatile tool designed for various bonding applications. It features a 30W power rating and is compatible with AC 110-240V power supplies at 50-60Hz.

Product Overview

Professional Hot Melt Glue Applicator

This versatile hot melt glue applicator is designed for reliable performance in various bonding applications. Featuring a ceramic heater and a convenient trigger-fed mechanism, it ensures controlled glue dispensing for precision work. The unit is compatible with a wide range of materials including wood, plastic, ceramics, glass, fabrics, and leather, making it an ideal choice for light-duty sealing and crafting tasks.

Technical Specifications

Compatible Materials

- Wood
- Plastic
- Ceramics
- Cardboard
- Glass
- Fabrics
- Leather

Available Power Ratings	30W, 60W, 100W
Voltage Compatibility	110-240V
Frequency	50 Hz
Heating Technology	Ceramic heater
