

Household Electric Iron for Clothes

This electric iron is designed for ironing clothes. It features a temperature control dial, steam function, and a non-stick soleplate for smooth gliding.

Product Overview

Efficient Household Ironing

This household electric iron is designed to make garment care simple and effective. Featuring a versatile range of steam functions, including vertical steam and burst capabilities, it handles various fabric types with ease. The non-stick soleplate ensures a smooth glide, while the ergonomic design provides comfort during extended use.
