

Household Electric Steam Iron

This is an electric steam iron designed for ironing clothes. It features a temperature control dial, steam function, and a smooth soleplate for easy gliding.

Overview

Efficient Household Steam Iron

This household electric steam iron is designed to make garment care simple and efficient. Featuring an intuitive temperature control dial and a reliable steam function, it effortlessly removes wrinkles from various fabrics. The smooth soleplate ensures easy gliding, while the integrated water reservoir supports consistent steaming for a polished finish.
