

Household Exhaust Fan with Pull Cord

This compact exhaust fan is designed for household ventilation. It features a multi-blade impeller for optimal airflow and is equipped with a pull-cord for easy operation.

Product Overview

Efficient Household Ventilation

This compact exhaust fan is engineered to provide reliable air circulation and ventilation for residential spaces. Featuring a robust multi-blade impeller design, it effectively removes moisture and unwanted odors from bathrooms, kitchens, and other small rooms. The unit is built with durable plastic housing and includes a convenient pull-cord mechanism for simple, manual operation.

Technical Specifications

Housing Material	Durable Plastic
Control Method	Pull Cord

Features

Primary Functions

- Moisture removal
- Odor elimination
- Optimal airflow efficiency

Suitable Applications	Bathroom, Kitchen, Small Rooms
