Product Overview

High-Performance Protection

These HPPE cut-resistant gloves are engineered for demanding industrial environments where both safety and dexterity are paramount. Constructed with a 13-gauge seamless knit, they provide a comfortable, breathable fit that reduces hand fatigue during extended wear. The salt-and-pepper design effectively masks dirt, ensuring a professional appearance even in rugged conditions.

Technical Specifications

Material	HPPE (High-Performance Polyethylene) fiber
Gauge	13 gauge
Compliance Standards	EN 388: 2016+A1:2018, EN ISO 21420:2020, CE
