

# Hydraulic Bottle Jack for Heavy Lifting

This heavy-duty hydraulic bottle jack is designed for lifting heavy loads. Its compact design allows for easy storage and portability.

## Product Overview

### Heavy-Duty Hydraulic Lifting Solution

This hydraulic bottle jack is engineered for demanding lifting tasks in automotive, construction, and industrial environments. Its compact design ensures easy storage and portability without compromising on lifting power. Built for stability and reliability, it provides a maximum lifting height of 410mm to handle a variety of heavy loads effectively.

## Performance & Dimensions

Maximum Lifting Height	410 mm
Weight	10 kg
Production ID	XD6-206-006

## Application

Best For	Automotive Repair, Construction, Industrial Lifting
----------	---
