

Hydrotherapy Swim Spa with Integrated Lighting

This swim spa offers a compact solution for aquatic fitness and hydrotherapy. It features multiple jets, integrated lighting, and a filtration system for both relaxation and exercise at home.

Overview

A Versatile Aquatic Solution

This hydrotherapy swim spa provides a comprehensive solution for both relaxation and aquatic exercise. Featuring a durable gray wood-paneled exterior and a modern light gray interior, it integrates seamlessly into residential spaces. Equipped with advanced jet systems and integrated lighting, it is designed to deliver a premium hydrotherapy experience while supporting a compact fitness routine.
