

# Impact Drill

This impact drill is a robust and versatile power tool designed for various drilling tasks. It delivers high performance and reliability with its durable construction, powerful motor, and variable speed control.

## Product Overview

### Professional Grade Impact Drill

This robust impact drill is designed for versatility and reliability in various drilling applications. Featuring a powerful 500W motor and variable speed control, it offers precision for both professional and DIY tasks. The inclusion of essential accessories like a depth gauge and side handle ensures accuracy and user comfort during operation.

## Technical Specifications

### Performance Metrics

**500 W**

Input Power

**2900 rpm**

Max No Load Speed

Rated Voltage	230-240V~/50Hz
Chuck Size	13mm

## Accessories & Compliance

### Included Accessories

- Side handle
- Depth gauge
- Chuck key

### Certifications

CE • GS • EMC • ROHS • PAHS

## Logistics & Packaging

### Weight Details

Type	Weight
Gross Weight	19
Net Weight	18.5

Shipping Information	10pcs per carton, 5900pcs per 20ft container
Packing Dimensions	36x28x48cm
