

Impact Resistant Safety Helmet

This safety helmet protects the head from impacts and falling objects. It is made from durable materials and includes adjustable straps for a secure fit.

Product Overview

Professional Impact Protection

This impact-resistant safety helmet is engineered to provide reliable head protection in demanding work environments. Constructed from high-quality PE material, the helmet features a rounded shell designed to deflect falling objects and absorb impact energy. It is fully certified for safety standards, ensuring it meets the rigorous requirements expected by industrial and construction professionals.
