

Indoor Ceiling Fan with Integrated Light

This flush mount ceiling fan features five wooden blades and an integrated light fixture with a frosted glass bowl. Designed for indoor use, this fan provides both illumination and air circulation to enhance comfort in residential spaces.

Overview

Comfort and Style Combined

This flush mount ceiling fan is designed to provide efficient air circulation and ambient lighting for residential indoor spaces. Featuring a sophisticated dark bronze finish with subtle gold accents, it complements a variety of interior decors. The unit includes five wooden blades and an integrated frosted glass light fixture, offering a complete solution for both comfort and illumination.
