

Indoor Ceiling Fan with Light

This ceiling fan provides both air circulation and illumination for indoor spaces. It features wooden blades, a brushed nickel finish, and an integrated light fixture with frosted glass shades.

Overview

Indoor Ceiling Fan with Light

This indoor ceiling fan combines efficient air circulation with integrated illumination, making it a versatile solution for residential or commercial interior spaces. Featuring a classic five-blade design, it is constructed with durable wooden blades and a sophisticated brushed nickel motor housing. The unit includes a three-light fixture with frosted glass shades, providing both functional lighting and aesthetic appeal for any room.
