

Indoor Ceiling Fan with Light

This ceiling fan provides air circulation in indoor environments. It also features an integrated lighting fixture.

Product Overview

Traditional Indoor Comfort

This indoor ceiling fan combines classic aesthetics with functional performance, making it an ideal choice for both residential and commercial interiors. Featuring five durable wooden blades and a sophisticated brass-colored motor housing, it offers reliable air circulation. The integrated lighting fixture, complete with three frosted glass shades, provides ambient illumination, ensuring a versatile dual-purpose solution for any room.
