

Indoor Ceiling Fan with Light

This ceiling fan provides air circulation and illumination. It features five wooden blades and a central light fixture with four frosted glass shades.

Product Overview

Versatile Indoor Climate Control

This indoor ceiling fan combines efficient air circulation with integrated illumination to enhance comfort in any room. Featuring five durable wooden blades and a decorative metallic motor housing, it offers a classic aesthetic suitable for various interior styles. The central light fixture includes four frosted glass shades, providing soft, ambient lighting alongside its cooling functionality.
