

Indoor Ceiling Fan with Light

This ceiling fan is designed for indoor use, providing air circulation and illumination. It features six wooden blades and a central light fixture with a spherical white glass cover.

Overview

Indoor Ceiling Fan with Light

This indoor ceiling fan combines efficient air circulation with integrated illumination, making it a versatile addition to any interior space. Featuring six wooden blades with a sophisticated dark brown finish, it offers a classic aesthetic that complements various decor styles. The unit is equipped with a central light fixture protected by a spherical white glass cover and includes convenient pull-chain controls for easy operation.
