

Indoor Ceiling Fan with Light

This ceiling fan features five wooden blades and a chrome finish. It includes an integrated light fixture with a frosted glass shade and is operated by pull chains.

Product Overview

Elegant Indoor Climate Control

This indoor ceiling fan combines functional cooling with integrated lighting, making it an ideal choice for residential spaces like bedrooms, living rooms, and dining rooms. Featuring five wooden blades and a sleek chrome finish, it adds a touch of sophistication to any interior decor. The unit includes an integrated light fixture with a frosted glass shade, providing both illumination and air circulation in a single, energy-efficient package.
