

Indoor Ceiling Fan with Light

This ceiling fan provides air circulation and illumination. It features six blades in varying colors and a central light fixture.

Product Overview

Vibrant Indoor Ceiling Fan

This multi-colored ceiling fan is designed to provide both efficient air circulation and reliable illumination for indoor spaces. Featuring a playful six-blade design with a palette of blue, red, green, and beige, it serves as a functional and decorative centerpiece. The integrated central light fixture with a white globe ensures your room stays bright while maintaining a comfortable airflow.
