

Indoor Ceiling Fan with Light

This ceiling fan provides both cooling and illumination. It features an integrated lighting kit with frosted glass shades and a pull chain for adjusting fan speed and light settings.

Product Overview

Versatile Indoor Cooling and Lighting

This indoor ceiling fan combines efficient air circulation with integrated illumination, making it a functional addition to any interior space. Featuring five durable wooden blades and a sleek brushed nickel finish, it offers a sophisticated aesthetic suitable for residential or commercial settings. The unit includes a three-light kit with frosted glass shades, providing soft, ambient lighting alongside its cooling capabilities.
