

Indoor Ceiling Fan with Light

This electrical fan provides both air circulation and lighting. It is designed for indoor use and includes multiple speed settings.

Product Overview

Elegant Indoor Climate Control

This indoor ceiling fan combines classic aesthetics with functional dual-purpose design, featuring five wooden blades and a polished brass finish. The integrated lighting fixture, equipped with four frosted glass shades, offers both ambient illumination and effective air circulation. Engineered for quiet operation and energy efficiency, this unit is an ideal solution for maintaining comfort in residential or commercial indoor spaces.
