

Indoor Ceiling Fan with Light

This ceiling fan provides air circulation and lighting for indoor spaces. It features five wooden blades, a polished brass finish, and a frosted glass globe light fixture.

Product Overview

Elegant Indoor Air Circulation

This indoor ceiling fan combines efficient air circulation with ambient lighting, making it a versatile addition to both residential and commercial spaces. Featuring five classic wooden blades and a polished brass motor housing, it offers a timeless aesthetic suitable for various interior styles. The integrated frosted glass globe provides soft, welcoming illumination, while convenient pull chains ensure easy control over fan speed and light settings.
