

Indoor Ceiling Fan with Light Kit

This indoor ceiling fan features five wooden blades for efficient air circulation. It includes an integrated light kit with bell-shaped shades, providing ambient illumination.

Overview

Comfort and Efficiency Combined

This indoor ceiling fan features a classic design with five wooden blades and an integrated light kit, perfect for enhancing both the comfort and style of any living space. Engineered for year-round utility, the fan helps circulate air effectively, creating a cooling thermoelectric effect in the summer. By optimizing air distribution, it allows for higher air conditioner temperature settings, leading to significant energy savings of up to 40%.

Design & Aesthetics

Number of Blades	5
Blade Material	Wood
Key Features	Integrated Light Kit, Indoor Use, Classic Style

Energy Efficiency

Energy Cost Analysis

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Daily Elec. Charge (AC only)	7.68	14.08	19.84
Daily Saving with Fan	2.622	5.182	7.486

Potential Energy Savings	Up to 40%
