

Indoor Ceiling Fan with Light Kit

This indoor ceiling fan provides both illumination and air circulation. It features a brushed silver finish, complemented by five dark wood-tone blades and a light kit with three decorative glass shades.

Product Overview

Elegant Comfort and Energy Efficiency

This indoor ceiling fan combines traditional elegance with functional performance, featuring a sophisticated brushed silver finish and dark wood-tone blades. Designed to enhance indoor comfort, it includes an integrated light kit with three decorative glass shades for ambient illumination. Beyond aesthetics, the fan offers significant energy-saving potential by effectively circulating air to reduce reliance on air conditioning systems.

Energy Efficiency

Air Conditioning Cost Savings

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Daily Elec. Charge (\$)	7.68	14.08	19.84
Daily Savings with Fan (\$)	2.622	5.182	7.486
