

Indoor Ceiling Fan with Light Kit

This elegant ceiling fan features an antique brass finish and five wooden blades. It includes an integrated light kit with decorative frosted glass shades, providing both illumination and a stylish aesthetic.

Overview

Energy-Efficient Comfort

This elegant indoor ceiling fan combines functional cooling with integrated lighting to enhance any room. Designed to optimize air circulation, it helps reduce reliance on air conditioning systems, potentially lowering energy consumption by up to 40%. Featuring a classic antique brass finish and five wooden blades, it provides both a stylish aesthetic and customized comfort for your living space.

Energy Efficiency

Energy Savings Analysis

Metric	1P AC	2P AC	3P AC
Rated Power (W)	1200	2200	3100
Electricity Charge/Day (\$)	7.68	14.08	19.84
Saving/Day (\$)	2.622	5.182	7.486
