

Indoor Digital TV Antenna with Adjustable Loop

This indoor digital TV antenna has a popular and well-known design. It also features a power-on indicator and an on/off switch.

Product Overview

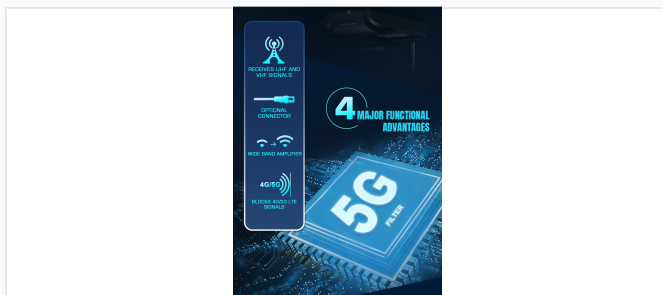

The UVR-AV140 indoor antenna features a sleek, compact design suitable for any home entertainment setup.

High-Performance Indoor Digital TV Antenna

The UVR-AV140 is a versatile indoor digital TV antenna designed to provide high-quality, free over-the-air (OTA) broadcast reception. Featuring a classic adjustable loop and telescopic dipoles, it is optimized for both UHF and VHF signals, allowing users to cut the cord and eliminate monthly cable fees. Its compact, modern design includes a built-in amplifier and 4G/5G interference filtering for a stable and clear viewing experience.

Key Features

Key advantages including UHF/VHF reception, wide band amplification, and 4G/5G LTE signal filtering.

Equipped with retractable dipoles, a swiveling UHF loop, power indicator, and a dedicated ON/OFF switch.

Functional Advantages

- Wide band amplifier for enhanced signal strength
- Built-in 4G/5G filter to minimize interference
- Power-on LED indicator
- Integrated ON/OFF switch
- Optional connector types available

Reception Capabilities

UHF Signals, VHF Signals, FM Radio, HDTV Compatible, 4G/5G LTE Filtering

Technical Specifications

Dimensions	194mm x 124mm x 193mm
Material	Plastic
Color	Black

Adjustability

Highly adjustable design with 360-degree VHF dipoles and 180-degree UHF loop rotation for peak signal acquisition.

Adjustment Range

360 °

VHF Dipole Adjustment

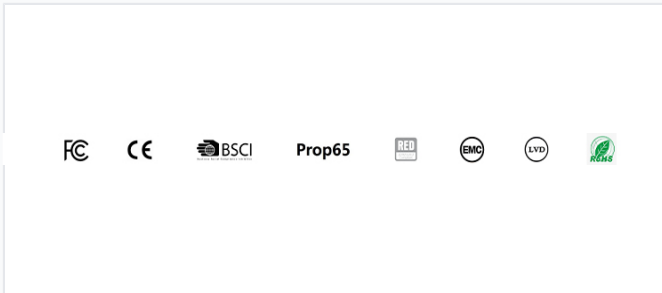

180 °

UHF Loop Rotation

Hardware Design

- Retractable telescopic dipoles for VHF/FM
- Swiveling large loop for UHF
- Fully adjustable elements for optimal signal positioning

Compliance & Quality

The product meets international safety and environmental standards including CE, FCC, and RoHS.

Our designs are backed by multiple patents and ISO 9001:2015 quality management certification.

Safety & Compliance

CE • FCC • RoHS • REACH • RED • EMC • LVD • Prop65 • ISO 9001

Business Information

Service & Customization

- OEM/ODM projects supported
- Free samples available for evaluation
- Custom branding available (subject to MOQ)
- In-house quality control (IQC, QC, QE)
