

# Indoor TV Antenna with Curved Design

This indoor TV antenna features a curved design, broadening the signal reception area. It is designed to receive Full HD, digital TV, and local VHF & UHF signals.

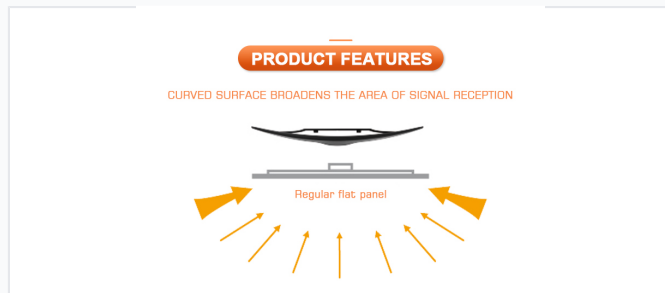

## Product Overview

### Modern Curved Indoor Antenna

This indoor TV antenna features a creative curved design that blends modern aesthetics with high-performance technology. Engineered to broaden the reception area compared to traditional flat panels, it provides a reliable way to receive Full HD and digital broadcast signals. Its versatile design supports both tabletop and wall-mount configurations, making it an ideal solution for cord-cutting households seeking free local VHF and UHF channels.

## Technical Specifications

The curved design provides a significantly broader reception area compared to standard flat panel antennas.

Key features including 4G LTE blocking and detachable signal amplifier.

### Key Features

- Curved surface for broader signal capture
- Detachable amplifier to enhance signal strength
- Integrated 4G LTE interference blocking
- Optional connector types available

<b>Model Number</b>	HDC-7
<b>Reception Capabilities</b>	Full HD, Digital TV, VHF, UHF, 4G LTE Filter

## Design & Installation

### PRODUCT DETAILS

1 Side View

2 Back View

Sleek profile and rear connectivity ports for a clean installation.

Flexible placement options to suit any home entertainment environment.

### Mounting Options

Wall Mount • Tabletop Use

### Physical Characteristics

Attribute	Detail
Type	Indoor
Color	Black
Design Style	Modern Curved

## Logistics & Packaging

### Standard Packaging

Normal Packing, 20pcs per box

### Available Shipping

Air Freight, Sea Freight, Rail Freight, Road Freight, Express Delivery

## Connectivity

### CONNECTION INSTRUCTIONS

Detailed wiring instructions for various power and tuner configurations.

### Power Source Options

- Powered by Digital Receiver
- Powered by AC Adapter
- Powered by USB Port
- Powered by Coaxial Cable

### Connection Setup

- Direct connection to TV with built-in tuner
- Connection via external Set-Top Box

## Compliance & Quality

### Product Certifications

CE, RoHS, REACH, RED, TUV, SGS, Prop65, ISO 9001:2015
