

# Industrial Automation Servo Drive

This high-performance servo drive unit is designed for industrial automation applications. The robust drive offers precise motor control, advanced communication interfaces, and comprehensive diagnostic capabilities.

## Overview

### Industrial Automation Servo Drive

This high-performance servo drive unit is engineered for demanding industrial automation applications, offering precise motor control and advanced diagnostic capabilities. Designed for reliability and accuracy, it features integrated safety functions and configurable I/O to support complex motion control tasks. It is an ideal solution for robotics, packaging machinery, and various automated manufacturing systems.

## Compatible Component Brands

<b>Servo Drive Brands</b>	B&R, ABB, Acopos, AKD, Moog, Panasonic, Parker, Rutex, Rockwell, Rexroth, Omron, Indramat, KEB, Lenze, Medha, Mitsubishi, Samsung, Schneider, Kollmorgen, IRT, Delta, Elmo, Emerson, Estun, Fanuc, Baldor, Allen Bradley, Beckhoff, Baumuller, AMK, Fuji, Teco, Siemens
<b>Servo Motor Brands</b>	Parker, Inovance, Baldor, KEB, Elau, Teco, AKM, Sem, Parvex, Allen Bradley, Vickers, Kollmorgen, Danaher, Teknic, Panasonic, Mitsubishi, Siemens, Omron, Yaskawa, Sanyo Denki, Fanuc, Yamaha, Tamagawa, Shinko, Hitachi, Nikki Denso, Bosch, Lenze, Bautz, Baumuller, Samson, Berger Lahr, ABB, Maxon, Mavilor, Towerpro, Estun, Consew, MCG, Futaba, Gettys, Glentek, Indramat, Delta, Pacific Scientific, Honeywell
<b>Servo Valve Brands</b>	HR Textron, EMG, Bosch, Moog, Rexroth, Parker, Abex, Atchley, MTS, Schneider, Honeywell, Danfoss, Komatsu, Atos, Yuken, Star, Vickers, Daikin, Burkert
<b>Servo Amplifier Brands</b>	Sanyo Denki, Moog, Mitsubishi, Haas, Fanuc, Fuji, Parker, Panasonic, Teco, Rexroth, Siemens, Sanmotion, Koyo, Atos, Omron, Fujitsu, Yuken, Keyence
<b>Servo Cable Brands</b>	LAPP, Mitsubishi, IGUS, SKT, Siemens, Schneider, Panasonic, ST, Yaskawa, Omron, Fuji, Echu, LSD, Fanuc, ML, QX, HX, SK
