

Industrial Cable Reel Extension Cord

This heavy-duty cable reel extension cord is designed for industrial and home use. It features a durable metal frame and multiple grounded outlets for powering multiple devices simultaneously.

Overview

Industrial-Grade Power Distribution

This heavy-duty cable reel extension cord is engineered for demanding industrial environments, workshops, and construction sites. Featuring a robust metal frame, it ensures reliable power distribution while offering tangle-free storage through its easy-winding mechanism. Built for safety and high performance, it includes advanced features to handle high amperage loads effectively.

Technical Specifications

Safety Features

Grounded Outlets • Overload Protection • Thermal Cut-out

Model Number	XM-PF25
Suitable Environments	Industrial, Workshop, Construction Site, Home
Frame Material	Durable metal
Cable Grade	High-grade for high amperage loads
