

Industrial Electrical Plug with Protective Lid

This is an industrial-grade electrical plug designed for heavy-duty applications. It features a robust construction with a blue and white housing and a protective lid to prevent water and dust ingress.

Product Overview

Industrial-Grade Connectivity

This industrial electrical plug is engineered for heavy-duty applications requiring high reliability in demanding environments. Featuring a ruggedized blue and white housing, it includes an integrated protective lid designed to seal against water and dust ingress. Its robust construction ensures long-lasting performance for critical machinery and industrial equipment.

Technical Specifications

Primary Applications

- Industrial Machinery
- Heavy-duty Electrical Equipment
- Harsh Environment Power Connections

Performance Focus

Heavy-duty • Industrial-grade

Ingress Protection

Dust-resistant, Water-resistant

Housing Color

Blue and White
