Product Overview

Industrial High-Intensity Searchlight

This industrial-grade searchlight features a high-performance 15W LED light source capable of projecting a beam up to 1000 meters. Designed for professional reliability, the unit is powered by a 6Ah lead-acid battery and offers selectable lighting modes to optimize energy consumption. It is an essential tool for construction sites, security patrols, and emergency response operations.

Technical Specifications

Light Source Power	15 W
Battery Capacity	6 Ah
Operating Voltage	4 V

Performance Metrics

Key Performance Indicators

1000 m Max Range	4 hours Runtime
Lighting Modes	Strong Light, Weak Light
