

# Industrial High-Velocity Fan

This industrial-grade electric fan is designed for robust air circulation. It features adjustable tilt and height settings for customizable ventilation.

## Overview

### Industrial High-Velocity Air Circulation

This industrial-grade electric fan is engineered for robust air circulation in demanding environments. Featuring a heavy-duty metal frame and a stable base, it ensures durability and consistent performance. With adjustable tilt and height settings, it offers customizable ventilation solutions perfect for workshops, warehouses, and large indoor spaces.

## Technical Specifications

### Adjustable Settings

- Tilt angle adjustment
- Height adjustment

### Construction Material

Heavy-duty metal

### Safety Features

Protective Grill, Stable Base

## Applications

### Recommended Environments

Workshops • Warehouses • Large Indoor Spaces
