

Industrial High-Velocity Fan

This industrial fan is designed for robust air circulation in large spaces. It features a sturdy metal frame, adjustable height, and a protective cage for safety.

Product Overview

High-Velocity Industrial Air Circulation

This industrial-grade high-velocity fan is engineered for robust air circulation in demanding environments. Featuring a durable metal construction and a powerful motor, it provides reliable airflow for workshops, warehouses, and industrial facilities. With three adjustable speed settings and versatile positioning options, it effectively manages temperatures and improves ventilation in large spaces.

Technical Specifications

Available Sizes	16 inch, 18 inch, 20 inch, 26 inch, 30 inch
Speed Control	3 gears
Blade Count	3
Construction Material	Metal

Compliance & Standards

Certifications

CE • GS • ROHS • EMC • LVD
