

Industrial Hose Reel

This heavy-duty hose reel is designed for industrial applications. It features a robust frame and durable construction for efficient hose management and storage.

Product Overview

Industrial-Grade Hose Management

This heavy-duty hose reel is engineered specifically for demanding industrial applications. Featuring a robust frame and durable construction, it ensures long-lasting performance in harsh environments. It provides an efficient solution for hose management and storage, making it an ideal choice for construction sites, agricultural operations, and other high-intensity settings.
