

Industrial Pulley Pendant Lighting Fixture

This industrial-style pendant lighting fixture features a unique pulley system design with adjustable height. It includes a horizontal bar supporting three light fixtures with conical shades and Edison-style bulbs.

Product Overview

Industrial Pulley Pendant Light

This industrial-style pendant lighting fixture features a unique, functional pulley system design that allows for adjustable height. It consists of a horizontal bar supporting three conical shades, finished in a sophisticated matte black with contrasting brass accents. Perfectly suited for dining rooms, kitchens, or living spaces, this fixture blends vintage aesthetics with modern functionality, utilizing Edison-style bulbs to create a warm, inviting atmosphere.
