

Industrial Warning Light

This industrial warning light is designed for machinery and industrial applications. It provides visual alerts and notifications with its amber lens and durable construction.

Product Overview

Industrial Visual Signaling

This industrial warning light is engineered for demanding environments, providing reliable visual alerts for machinery and safety-critical applications. Featuring a high-visibility amber lens and a robust white base, it is designed to withstand harsh industrial conditions. The unit is optimized for clear notification, ensuring operational awareness and workplace safety.

Technical Specifications

Model Identifier	1121
Lens Color	Amber
Base Color	White
Suitable Applications	Industrial Machinery, Visual Alerts, Safety Notification
