Product Overview

Professional Inflating Gun

This durable inflating gun is designed for precise air delivery in industrial and automotive environments. Constructed with a robust aluminum body and an ergonomic plastic handle, it ensures reliability and ease of use. The kit includes two interchangeable nozzles, allowing for versatility in both standard inflation tasks and reaching confined spaces.

Technical Specifications

Rated Pressure	6 bar
Maximum Pressure	8 bar
Maximum Flow	125 L/min
Inlet Diameter	1/4"

Nozzle Configuration

Included Nozzles

Length	Diameter
33 mm	1.8 mm
227 mm	4 mm

Construction

Materials	Aluminium Body, Plastic Handle
Marking Method	Laser printing
