

Ionic Hair Dryer with Cool Shot

This hair dryer features ionic function and selectable voltage. It includes a cool shot button, detachable air-inlet grill, multiple speed and heat settings, and a long-life DC motor.

Product Overview

Professional Ionic Hair Dryer

This high-performance ionic hair dryer is designed for both versatility and reliability, featuring advanced ionic technology to reduce frizz and enhance shine. Equipped with a long-life DC motor, it offers customizable styling with 2-speed and 3-heat settings, plus a dedicated cool shot button for setting styles. Built with safety and convenience in mind, the unit includes overheating protection, a detachable air-inlet grill for easy maintenance, and a hang-up loop for storage.
