

Ionic Home Hair Dryer with Cool Shot

This hair dryer is designed for home use and features ionic technology. It offers two-speed and two-heat settings, along with a cool shot function.

Product Overview

Ionic Home Hair Dryer

This home-use hair dryer is designed for efficient daily styling, featuring advanced ionic technology to help reduce frizz and enhance shine. It includes a convenient cool shot function for setting styles and offers versatile 2-speed and 2-heat settings to suit different hair types. Powered by a reliable DC motor, it provides a balance of performance and ease of use for everyday grooming.
