Product Overview

Versatile IP54 Lighting Solution

This IP54 rated ceiling lamp is engineered for both indoor and outdoor environments, providing reliable illumination in areas prone to dust and moisture such as bathrooms, kitchens, and covered outdoor spaces. Featuring a durable construction with a sleek, low-profile design, it delivers bright, diffused light while ensuring long-lasting performance. With integrated LED technology and multiple optional smart features, it is an ideal choice for residential and commercial projects requiring energy efficiency and robust protection.

Technical Specifications

Performance Highlights
