

# IP65 LED Street Light

This LED street light is designed for outdoor illumination. Its IP65-rated enclosure ensures protection against dust and water ingress, making it suitable for various weather conditions.

## ADDITIONAL IMAGES

## Overview

### High-Performance Outdoor Illumination

This LED street light is engineered for reliable outdoor performance across various environmental conditions. Featuring a robust IP65-rated enclosure, the fixture offers superior protection against dust and water ingress. With high energy efficiency and advanced thermal resistance, it provides an ideal lighting solution for streets, parking lots, and large outdoor areas.

## Technical Specifications

### Available Wattage

- 20
- 30
- 50
- 100
- 150
- 200

Surge Protection	9000 V
Luminous Efficacy	>95lm/W

## Certifications & Durability

### IP Rating

IP65

Environmental Resilience	High Temperature Resistance, Dust Resistant, Water Resistant
