Overview

High-Performance Waterproof Lighting

This IP65-rated LED batten fixture is designed for demanding industrial and commercial environments. Built with a durable PC cover and base, it provides excellent protection against dust and water ingress. Featuring high-efficiency LED technology with 100-130 LM/W output, it ensures bright, uniform illumination while minimizing energy consumption and maintenance costs.

Technical Specifications

Ingress Protection (IP)

IP65

Impact Resistance (IK)

IK08

Luminous Efficacy

130 LM/W

Max Efficiency

Safety Class

Class I

Construction & Design

Design Features

- Clip-free design
- Waterproof enclosure

Materials

PC Cover, PC Base

Features & Warranty

Advanced Functions	Sensor, CCT Change
Warranty Period	3-5 Years

Logistics & Packaging

Packaging Options

- Color box
- White inner box
- Brown inner box
