Product Overview

Industrial-Grade Power Distribution

This pre-wired, wall-mounted socket outlet is designed to provide safe and reliable electrical connectivity in demanding industrial and outdoor environments. Engineered for durability, it features an IP67 rating, ensuring superior protection against dust and water ingress. Integrated with a 30mA Residual Current Circuit Breaker (RCCB), this unit prioritizes safety by effectively mitigating the risk of electric shock.

Technical Specifications

Electrical Performance

30 mA RCCB Sensitivity	16 A Rated Current Option 1	32 A Rated Current Option 2
