

iPhone 5 Protective Sleeve

Protective sleeve designed for iPhone Series 5, providing a layer of defense against scratches, minor impacts, and everyday wear and tear. The slim-fit design maintains the sleek profile of the iPhone while offering enhanced grip.

Product Overview

Designed for Durability and Style

This protective sleeve is precision-engineered for the iPhone Series 5, offering a robust defense against scratches, minor impacts, and daily wear. Its slim-fit profile ensures the device remains sleek while providing an enhanced grip for better handling. With a unique 'Transformers' theme, this sleeve combines functional protection with a distinct aesthetic appeal.
