

# JIS Marine 2-Way Ball Valve

This 2-way ball valve is made from stainless steel, cast steel, or cast bronze. It comes in sizes 5K15-100, 10K15-100, 20K15-50, and 30K15-50.

## ADDITIONAL IMAGES

## Product Overview

### JIS Marine 2-Way Ball Valve

This high-performance 2-way ball valve is engineered specifically for marine applications, adhering to rigorous Japanese Industrial Standards (JIS). Constructed from durable materials including stainless steel, cast steel, and cast bronze, it ensures longevity and reliable operation in demanding industrial environments. Designed for versatility, this valve supports a wide range of pressure classes and sizes, making it an ideal component for critical fluid control systems.

## Technical Standards

### Material Options

Stainless Steel • Cast Steel • Cast Bronze

### Compliance Standards

JIS B 2071, JIS B 2220, JIS B 2002, JIS B 2003

## Dimensional Specifications

### Size and Dimensions (JIS 5K/10K)

Size (DN)	D (mm)	H (mm)	W (mm)	Weight (kg)
15	95	45	105	1.2
20	105	50	115	1.6
25	115	55	125	2.1
32	140	65	145	3.5
40	150	70	155	4
50	165	80	175	5.5
65	185	90	195	7.5
80	200	100	215	9.5
100	220	110	235	12

## Performance Metrics

### Pressure Classes

- JIS 5K
- JIS 10K
- JIS 20K
- JIS 30K

### Size Range

**15 DN**

Min Size

**100 DN**

Max Size (20K/30K)
