

Kids' Over-Ear Cushioned Headphones

These fun and vibrant headphones are designed specifically for children. They feature soft, cushioned earcups for comfortable extended use and an adjustable headband for a secure fit.

Product Overview

Designed for Young Listeners

These lightweight, over-ear headphones are specifically engineered for children, featuring soft cushioned earcups for extended comfort during use. The adjustable headband ensures a secure and personalized fit, accommodating various head sizes as children grow. Built with durable materials, they are designed to withstand the rigors of everyday use, making them an ideal choice for school, travel, or home entertainment.
