

Kitchen Tool Set with Wooden Block

This set features essential tools including a can opener, nutcracker, garlic press, peeler, and corkscrew. The tools are constructed of metal with blue handles and are stored in a wooden block.

Product Overview

Professional Culinary Utility Set

This premium kitchen tool set offers a comprehensive solution for daily culinary tasks, housed in an elegant light-wood finish block for organized storage. The collection includes high-performance essentials such as a can opener, nutcracker, garlic press, peeler, and corkscrew, all featuring a durable silver-tone metal construction. Designed with ergonomic blue handles, these tools provide both professional aesthetic appeal and functional reliability for any modern kitchen environment.
